GIESSBETON FLACHE AUFLAGE "RUND" - light version, with plastic clip

Description

Round spacer with flat support made of cast concrete. With plastic clip for easy attachment to reinforcement. Not suitable for exposed concrete because of the flat support.

Application

The spacer is attached to the reinforcement with the plastic clip. The usability of the product in the respective installation situation must be checked by the user! Further information on the arrangement and installation distances can be found in the relevant DBV leaflets.

Material

- Cast concrete
- Free from PVC, CFC and HFC
- Without substances of very high concern according to ECHA candidate list (REACH Regulation)

Packaging

- Free of halogen-containing compounds, azo dyes, flame retardants
